

The 0E-CRS14U is a versatile 14 space skeleton rack that is designed to be quickly assembled and very stable. Ideal for small AV systems, security & cctv equipment, the 0E-CRS14U is easily at home in a variety of locations. Office, boardroom, hospitality, security, bar/restaurant, in-home, just to name a few. Flat-packed to save space the 0E-CRS14U is easily assembled and includes all of the hardware to do so. Industry standard spacing allows for any standard rack accessories to be used. Fully welded sides ensure correct alignment and increase stability, while leveling feet allow this product to be placed on any surface. In addition, the 0E-CRS14U is wall mountable and comes complete with the mounting bolts and wall anchors. If your job calls for rack mounting on a budget, the 0E-CRS14U is the piece for you.
