

8 Port Fast Ethernet PoE Switch

0E-8P65W4POE

The 8 Ports/4 PoE Ethernet Switch is fully integrated to support security monitoring, provides fast packet forwarding capability, as well as fast Ethernet transfer rates by utilizing the appropriate bandwidth to ensure clear images/smooth transmission and enough bandwidth for high-definition video.

- 4 x 10/100 Mbps PoE Ports
- 4 x 10/100 Mbps Ports
- Easy Set-up: Plug and Play
- 62W PoE Budget
- Switching Capacity: 1.6 gbps
- Port/PoE Status: LED
- GreenNET Energy Savings
- Warranty: Limited Lifetime

PART #: 0E-8P65W4POE

UPC: 811914029298

Input of Power Supply: 100-240VAC

Transmission Distance: 100Meter(328ft)

MAC Address: 1K MAC address table

Dimension: 9 51/64" x 5 26/64" x 3"

Weight: 2.3 LBS

Product Certification:
