1 Dimensions

Figure 1-1 shows the dimensions of 0E-BBIXP66.

Figure 1-1 Dimensions of 0E-BBIXP66.

2 Installation Guide

Step 1: Installing base
1. Stick the installation location sticker onto the installation surface.
2. Drill four holes based on the marks on the sticker and drive the small plastic
   buttons into the holes.
3. Remove upper cover and attach the base to the surface.

Step 2: Installing silicon plug
1. Connect the multi-head cable of the camera.
2. Plug the tail of multi-head cable into the silicon plug.
3. Install the upper cover.

**Installation Guide**

**Figure 2-2** Installing the silicon plug

**Figure 2-3** Installing the camera

**Step 3**
Plug the silicon plug into the upper cover, and then attach camera to the upper cover plate. Pay attention to select correct screw holes to match the different model types, as shown in Figure 2-3.

**Figure 2-4** Installing the camera

**Step 4**
Finish the other installations, as shown in Figure 2-4.

**Figure 3-1** shows the silk-screen of installation plate, and Table 3-1 shows the code and model list.
